

**The next AGM is to be held on Saturday the 21<sup>nd</sup> September 2019.** Location for the primary meeting is Casino Village and by Skype back to Kellerberrin WA speedway as per last year but in reverse. Consider attending one of the venues on either side of the country.

Both venues will be more than an AGM in that we will introduce some of the new club features for members and for those that may need it conduct some training on radios and the Telcall+ and Out-n-About.

It is a great time to socialise and meet the faces behind the voices.

We have launched a new support feature for anyone with a SAT phone. Termed Help-SAT anyone one with full or social Austravel membership can use the emergency responders in Austravel for assistance should they have an emergency of some kind to manage from a remote area.

Since the last magazine we have also introduced a new household level of member ship. Half price licensing for a second HF selcall.

The AGM and GM are great opportunities to give feed back to the committee to help steer the club forward.
